Guidelines for High Impact Paper Award

Established October 2018
(Updated January, 2022)

Deanship of Research Oversight and Coordination
King Fahd University of Petroleum & Minerals

A. Introduction

The High Impact Paper Award is proposed to recognize the KFUPM faculty members and Researchers who have generated a high-impact publication that has been published in top-quality journals. This award will also encourage the faculty and researchers to target their papers for publication in top-quality journals in their fields.

B. Eligibility

1. The paper to be considered must be published while the applicant is affiliated with KFUPM (affiliation appears on the paper), and the paper has at least 50% authors from KFUPM
2. Either first author or corresponding author should be from KFUPM
3. The paper should be either published in Nature-index journal (<https://www.natureindex.com>) or in the top 2% of the journals (JIF Percentile is above 98%) published by Clarivate (<https://mjl.clarivate.com/>).

C. Process and Evaluation Criteria

There is no need for the faculty member or researcher to fill any form for this award. The awards will be an auto-recognition by the Deanship.

D. Benefits

The winner will receive a certificate.
